

# EVEN MONSTERS by AJ Smith

## DESIGN YOUR OWN MONSTER UNDIES

### WHAT YOU WILL NEED:

- Undies Design Template (below)
- crayons or markers - scissors, tape
- printer and printer paper (cardstock works best)

1. Print out this page (8.5" X 11"). Heavy cardstock will work best but regular printer paper is OK too.

2. Use scissors to carefully cut out the undies template around the outside edge.

3. Get out your crayons and markers and draw something fun on the undies. There's some ideas below but use your imagination to come up with even more! Then color it all in. Pink? Green stripes? Polka-dots?

4. Tape the edges of your new undies over your pants and do a silly UNDERPANTS DANCE!
